Subject: Soliciting Feedback on the Proposed Use of "Particularly Dangerous Situation" Wording in Blizzard Warnings and Ice Storm Warnings through September 10, 2024

The National Weather Service (NWS) is soliciting comments on the Proposed Use of "Particularly Dangerous Situation" wording in Blizzard Warnings and Ice Storm Warnings through September 10, 2024.

A description of the concept of the Proposed Use of "Particularly Dangerous Situation" wording in Blizzard Warnings and Ice Storm Warnings, as well as product examples, can be found at the following link:

https://nsdesk.servicenowservices.com/api/g_noa/nwspc/res2/040a676887a606904b0fa8a60cbb35e5

Feedback on the proposed use of "Particularly Dangerous Situation" wording in Blizzard Warnings and Ice Storm Warnings can be provided via a survey at the following link:

<https://www.surveymonkey.com/r/WinterPDS>

Comments and feedback will inform future NWS decisions regarding the use of this wording in Blizzard Warnings and Ice Storm Warnings. Again, this is only a proposed change; no actual changes are being made to NWS products at this time.

If you have questions or feedback, please contact:
