 Chief, Marine, Tropical and Tsunami Services Branch

Subject: Discontinuing Marine Service Chart MSC-15 for the Alaskan Waters:
Effective April 26, 2023

The National Weather Service (NWS) will discontinue the Marine Service Chart MSC-15 for Alaskan Waters on April 26, 2023. All of the information in MSCs can be found on <https://www.weather.gov/marine/> or <https://www.weather.gov/nwr/>.

Information on radio frequencies used by the NWS and the U.S. Coast Guard (USCG) are under the Dissemination tab. Information related to individual forecast offices in Alaska can be seen by clicking on the interactive map on the main page (click on office or area of interest). Information about radiofax charts can be found under the "Radiofax Charts" tab, or via this link:

https://www.weather.gov/marine/radiofax_charts

Additionally, information about receiving NWS products via email can be found under the "Get products via Email" tab.

No comments were received during the comment period.
