About the Deloitte Technology Fast 500™ Europe, Middle East & Africa (EMEA)

Technology Fast 500, conducted by Deloitte Touche Tohmatsu Limited (DTTL), provides a ranking of the fastest growing technology, media, telecommunications and green technology companies – both public and private – in Europe, Middle East & Africa. Technology Fast 500 award winners are selected based on percentage fiscal year revenue growth from 2009 to 2013.

In order to be eligible for Technology Fast 500 recognition, companies must own proprietary intellectual property or technology that is sold to customers in products that contribute to a majority of the company's operating revenues. Companies must have base-year operating revenues of at least €50,000 EUROS, and current-year operating revenues of at least €800,000 EUROS. Additionally, companies must be in business for a minimum of five years, and be headquartered within Europe, Middle East & Africa.

About TMT

The Global Technology, Media & Telecommunications Industry (TMT) group consists of the practices organized in the various member firms of DTTL and includes more than 15,000 member firm partners, directors and senior managers, supported by thousands of other professionals dedicated to helping their clients evaluate complex issues, develop fresh approaches to problems and implement practical solutions. There are dedicated TMT member firm practices in 48 locations along with global virtual centers of excellence for each industry sector. DTTL's member firms serve 94 percent of the TMT companies in the 2013 Fortune Global 500.
